

Q1

1. Scenario: Anonymous users cannot download more than 3 books.
 - Given that I am an anonymous user
 - And I have opened the application
 - When I try to download more than 3 books
 - Then I should not be able to download any additional books
 - And I should see a message that informs me that I have exceeded the limit of downloadable books

2. Scenario: Test the performance of the application while the battery dies.
 - Given that I have a mobile device with low battery mode enabled
 - And I have opened the application
 - When I start using the application
 - Then I should be able to use it until the battery is completely dead
 - And I should pay attention to how the application handles interruptions by notifications about low battery
 - And I should observe how the application recovers and behaves when the battery is charged again

3. Scenario: Sorting of the latest 10 books is correct.
 - Given that I have opened the application
 - And I am on the homepage where the latest 10 books are displayed
 - When I check the sorting order of the books
 - Then the books should be sorted in descending order based on the publication date
 - And the newest book should be at the top of the list
 - And the oldest book should be at the bottom of the list
